

Say hello to our new friend, Angela. She is from the US. We are very happy that she is here.

Angela is very good at counting. 1, 2, 3, 4..... We love counting together.

Angela tells us to believe in our dreams. "My dream was to go to school," says Benjamin. "Look at me now. I'm the best speller in my school".

Zannu's dream is to be a professional swimmer and practice in a real swimming pool.

Zannu's dream is coming true! She is so happy practicing and wants to stay in the pool forever.

With these new school uniforms, and promises from us to work hard, Angela tells us our dreams can really come true.

**Before you go Angela, let us make you more beautiful than you already are!
And, don't forget the pizza you promised us when you return!**
